** Art Donations appreciated! We are in need of repurposed, reused, recycled and raw materials. Essentially anything that could be used to make art sculptures. If while cleaning, organizing or constructing this summer, consider leftovers and things you might throw away as items and materials that could be used in the art room.

Feel free to send a picture to Ms. Challenger at tchallenger@d45.org if you are wondering if we could use it. Thank you for thinking of us!
