Current Year Payment on Contracts For Indirect Cost Rate Computation

Please do not remove and reinsert this tab from the workbook or paste into this tab. The AFR will be returned to the auditor if this tab is completed incorrectly.

This schedule is to calculate the amount allowed on contracts obligated by the school district for the Indirect Cost Rate calculation. The contracts should be only for purchase services and not for salary contracts. Do not include contracts for Capital Outlay (500) or Non-Capitalized Equipment (700) on this schedule. They are excluded from the Indirect Cost Rate calculation.

To determine the applicable contracts for this schedule, they must meet ALL three qualifications below:

1. The contract must be coded to one of the combinations listed on the icon below.

2. The contract must meet the qualifications below on the "Subaward & Subcontract Guidance" and the "Indirect Cost Rate Plan" (Sub-agreement for Services).

3. Only list contracts that were paid over \$25,000 for the fiscal year.

Indirect Cost Rate Plan

Column A, B, C, D below must be completed for each contract. Enter Column B without hypens. Ex) 101000600

Column (E) and (F) are calculated automatically based on the information provided in Columns (A through D).

The amount in column (E) is the amount allowed on each contract in the Indirect Cost Rate calculation. The amount in column (F) is the amount that will be deducted from the base in the indirect cost rate (tab 41) for Program Year 2025.

INDEPENDENT AUDITOR'S REPORT ON THE ANNUAL FINANCIAL REPORT

December 12, 2023

Members of the Board of Education DuPage County School District 45 Villa Park, Illinois

We have audited the basic financial statements of DuPage County School District 45 (the "District") as of and for the year ended June 30, 2023, and have issued our report thereon, dated December 12, 2023, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. We have not performed any procedures with respect to the audited financial statements subsequent to December 12, 2023.

The accompanying Annual Financial Report, Form ISBE SD50-35/JA50-60, for the District as of and for the year ended June 30, 2023 has been prepared in the form prescribed by the Illinois State Board of Education, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information, except for the financial profile information, estimated financial profile summary, supplementary schedules, statistical section, estimate indirect cost rate for federal programs, report on shared service or outsourcing, administrative cost worksheet, and itemization schedule, as listed in the table of contents, which were not audited, and on which we express no opinion, has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information, except for those portions identified above as not audited, is fairly stated in all material respects in relation to the basic financial statements as a whole.

The answers to questions 1 through 25 contained in the "Auditor's Questionnaire" on page 2 are based solely on the procedures performed and data obtained during our audit of the basic financial statements of the District as of and for the year ended June 30, 2023.

This report is intended solely for the information and use of the Board of Education, management of the District, and the Illinois State Board of Education ad is not intended to be and should not be used by anyone other than these specified parties.
